

PRESS RELEASE
IMC PELITA LOGISTIK**BAHASA INDONESIA****IMC Pelita Logistik Perkuat Armada dengan Enam Kapal Baru**

Jakarta, 5 Oktober 2026 – PT IMC Pelita Logistik Tbk (“IMC Pelita Logistik” atau “Perseroan”) melakukan program peremajaan armada melalui penambahan enam kapal baru untuk mendukung kegiatan pengangkutan dry bulk dan kebutuhan operasional pelanggan.

Program tersebut mencakup dua kapal tunda/tugboat (TB) dan empat tongkang/barge (BG) yang dibangun di dua galangan kapal di Batam. Masing-masing tongkang memiliki kapasitas angkut lebih dari 10.000 ton.

Per 30 September 2026, Perseroan dan entitas anak mengoperasikan 47 unit armada, di luar enam kapal baru tersebut. Peremajaan akan dilakukan secara bertahap dengan mempertimbangkan kondisi pasar, kebutuhan operasional, dan biaya pembangunan kapal.

Direktur PT IMC Pelita Logistik Tbk Basuki Setiogroho mengatakan pelaksanaan program tersebut dilakukan dengan mempertimbangkan kebutuhan operasional Perseroan dan pelanggan.

“Peremajaan armada merupakan bagian dari upaya kami menjaga keandalan dan kesiapan armada dalam mendukung kegiatan pengangkutan dry bulk. Kehadiran kapal-kapal baru ini juga memberikan fleksibilitas yang lebih baik dalam pengalokasian kapal sesuai kebutuhan operasional pelanggan,” ujar Basuki.

ENGLISH**IMC Pelita Logistik Strengthens Fleet with Six New Vessels**

Jakarta, 5 October 2026 – PT IMC Pelita Logistik Tbk (“IMC Pelita Logistik” or the “Company”) is undertaking a fleet renewal program through the addition of six new vessels to support its dry bulk transportation activities and customers’ operational requirements.

The program comprises two tugboats (TB) and four barges (BG), built at two shipyards in Batam. Each barge has a carrying capacity of more than 10,000 tonnes.

As of 30 September 2026, the Company and its subsidiaries operated 47 vessels, excluding the six new vessels. The fleet renewal will be carried out in stages, taking into account market conditions, operational requirements, and vessel construction costs.

Basuki Setiogroho, Director of PT IMC Pelita Logistik Tbk, said the implementation of the program takes into consideration the operational requirements of both the Company and its customers.

“Fleet renewal is part of our efforts to maintain the reliability and readiness of our fleet in supporting dry bulk transportation activities. The new vessels also provide greater flexibility in vessel allocation to meet our customers’ operational requirements,” Basuki said.
